

Residents' Personal Emergency Data Form

Dear Sherborn Resident,

We want to be able to better serve and protect you in any emergency. We will input your personal information into a secure data base. Some of the data will be transmitted to the Commonwealth's 911 Enhanced Disability Telephone Service. Only the Police, Fire and Rescue will have access to your personal information. When a call comes in from your home, or if your area of town is experiencing an emergency we will be better able to serve and protect you.

Please fill out this confidential form and either mail it, drop it off at the Police Station addressed to Officer Benjamin Stickney, or by facsimile (508-651-7865) or request that a Police Officer come to your home and retrieve the form (508-653-2424). **We will need one form per household member with a special need or disability.** Please help us help you.

Sincerely,

Neil McPherson, Fire Chief

Richard Thompson, Chief of Police
